

Spanish

Parent Workshop

Why do we teach Spanish?

At North, we aim to develop and promote a love and enthusiasm for learning new languages through our teaching of Spanish.

All our children in KS2 will have weekly Spanish lessons and will be expected to achieve their full potential by encouraging high expectations and excellent standards by our teachers in their foreign language learning. By the end of KS2, the ultimate aim is that pupils can engage in simple conversation in Spanish, understand key terms and phrases as well as continue to study Spanish or other languages beyond key

Spanish Curriculum

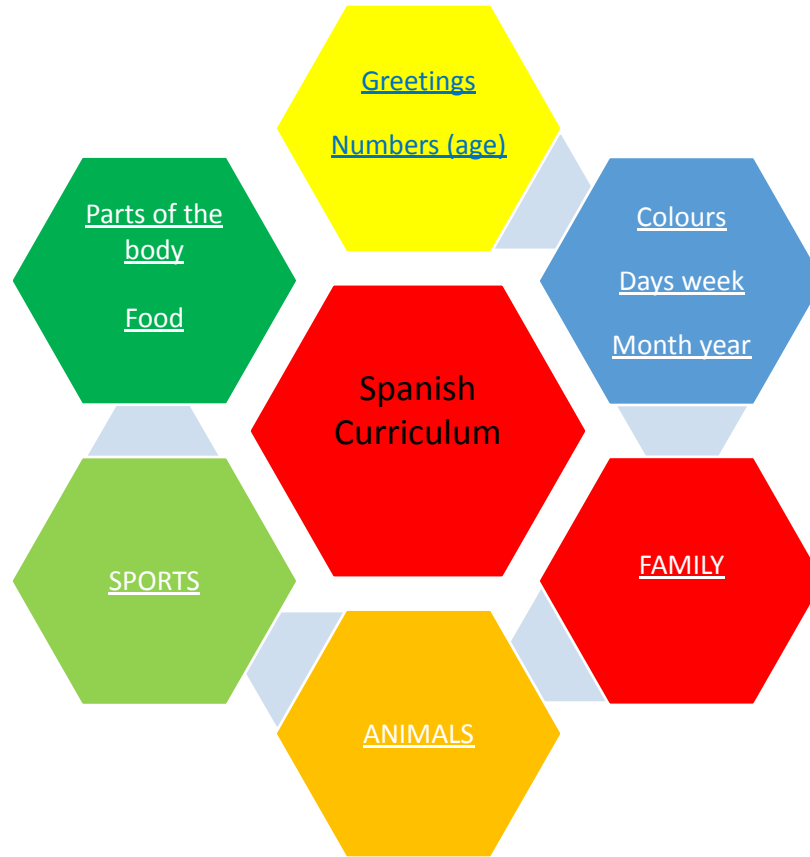

Wide variety of topics.

Ambitious and fun.

From easier to difficult.

YEAR 3-4

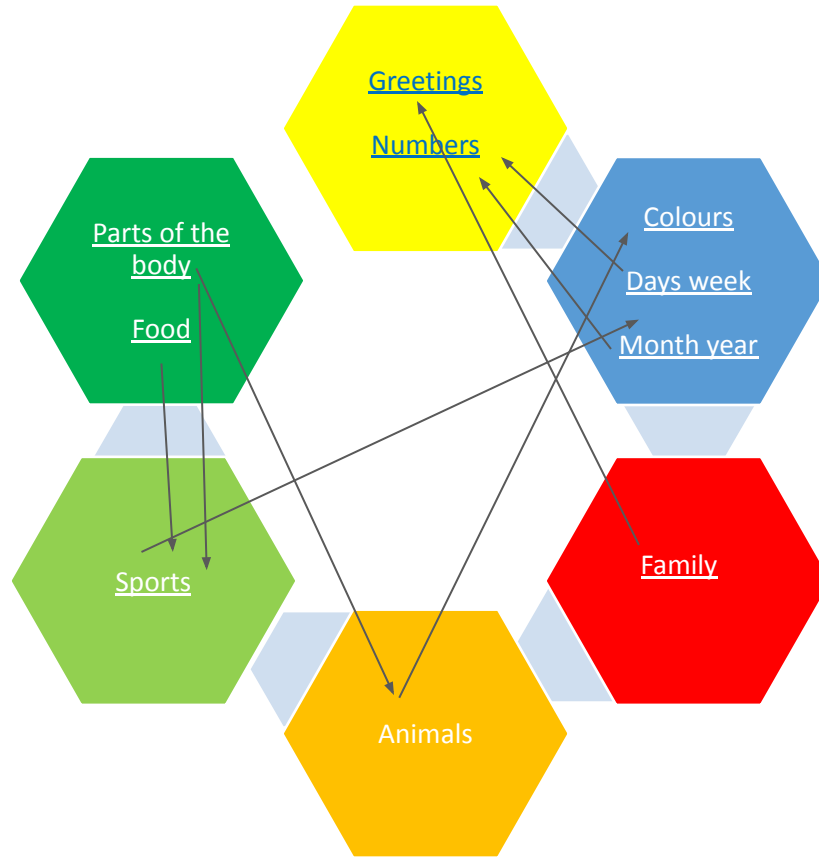

Core Subjects

English - Grammar,
Reading, Writing.

Maths - Numbers,
Time.

Science - Animals
Parts of the body.

Other subjects

PE - Sports.

Linking back to
previous topic -
retrieval practice

Ensure connectivity
and progression.

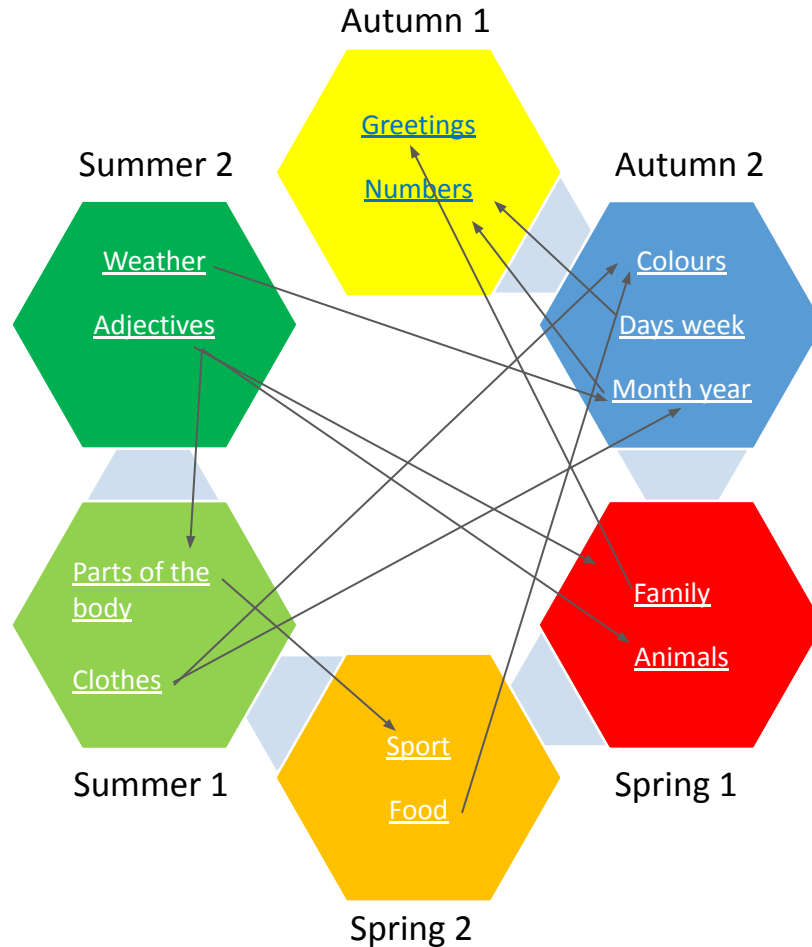

Core Subjects

English - Grammar,
Reading, Writing.

Maths - Numbers,
Time.

Science - Animals
Parts of the body,
Weather.

Other subjects

PE - Sports.

PSHE - Healthy food.

Music - Singing.

ICT - Computing skills

Geography - Spain,
study comparison.

How do we teach Spanish?

- All pupils have the opportunity to **develop key linguistic skills** within speaking, listening, reading, writing and grammar.
- **Lessons follow a set structure**, creating a safe and comfortable space where children feel confident to participate and everyone gets a chance to talk and share ideas.
- Lessons are **conducted in Spanish**
- Written **tasks**, songs and games are set up as well to **consolidate their learning**.
- At the beginning of each lesson, **previous knowledge is retrieved**.
- To **challenge** all children, new vocabulary beyond the focus of the unit is introduced in each session so children are able to make **connections between topics** in Spanish.

Booklet

Manual de español

NOMBRE:

Personalised Spanish booklet based on our curriculum.

Reinforce confidence when doing talk task - independent task (comfortable and safe environment during the lessons)

Benefits of learning Spanish?

- Improve their confidence, self-esteem
- Improve their ability to grasp additional languages.
- Develop a greater appreciation for learning new languages and cultural differences.
- Improve their memory in phonics.
- Provide them with basic level understanding of a language which they can explore further when they visit Spanish speaking countries.

How can you help? Below are different resources and websites that you children can use to practice at home.

duolingo
